## BASKET BONANZA

### Our June Program

**It's finally here!** Our Basket Bonanza, aka Brown Bag Event, is happening at our meeting **Tuesday, June 14th**. We will have lots of beautiful baskets and quilting items along with a table for all of our special "friendship group" baskets. This year we are going to start a new tradition. There will be 1 table with special items that will be for a **"Silent Auction"**. Everyone will have a chance to check out each item and see if they are interested in placing a bid. If this is successful, this could be a new and interesting part of our yearly Basket Bonanza event.

Be sure to **bring your friends and neighbors (Guests are FREE)**, and don't forget those **address labels** to put on all the tickets you will want to buy!! The ticket prices are as follows:

<b>1 ticket</b>	<b>\$ 1.00</b>
<b>7 tickets</b>	<b>\$ 5.00</b>
<b>16 tickets</b>	<b>\$10.00</b>
<b>35 tickets</b>	<b>\$20.00</b>

Also, Tuesday afternoon, we will be loading all the baskets at my house for transport to our guild meeting. If any of you have a truck or a SUV and can help, that would be wonderful and very appreciated! We will meet at my house at 5:o'clock. **Thank you all** in advance for all of your help making this event a big success!

# President's Message

**June is here** and I can't believe I am almost half way through my year as President. It's been a rewarding and exciting time as I watch our excellent programs unfold and meet new members as well as seeing a large number of guests attend our meetings. It's been a pleasure to be President of this fine guild. Thank you for the opportunity!

We have been so lucky to have such quality speakers and I hope the membership and guests have enjoyed the breadth of techniques, styles and experience that they offer at our meetings and workshops. I have been fortunate to attend each of the workshops presented this year and have been inspired by each of them, and I always learn something at every workshop even if it's a quilt technique I already know. The teachers have so much experience to offer us and I guarantee you'll learn something new even if you're an experienced quilter. If you haven't taken advantage of this amazing membership benefit that our guild offers to members, please consider attending a workshop. It's about 1/3 (if not more) of the cost to take a workshop anywhere else. Such a great deal!

Time is running out on our **raffle for a free spot to attend our 2017 retreat**. Moore's Sewing Center of Temecula has offered to pay for one person to attend our retreat and we will have our drawing at our June meeting. **A huge thank you to Moore's for this prize.** The tickets cost \$5/each and the drawing will be at the end of the meeting. The value is \$300 so it's worth a \$5 ticket!

**I'm excited about our Basket Bonanza this year.** Sherry Riddle has spent many hours putting this event together for us (even on top of husband Jim being so ill). Our local vendors, Moore's Sewing Center and Primitive Gatherings are providing baskets, and I'm sure they will be full of wonderful items. Our friendship groups have contributed baskets, and we really appreciate them stepping up and helping us make this event better than ever. Our members and guests will definitely not be disappointed in the quality of items being contributed for our important fund raiser. Bring your address labels to help save your hands from writing your name on all those tickets you'll be buying.

**We have shorter business meetings planned over the next few months.** Only the essential items will be covered and then we're off to our primary program. This month we want to have time to enjoy our shopping experience for our Basket Bonanza. For **July we have our Quilt University** which is always a lot of fun. We will squeeze in our Show & Tell of course at both of these meetings. We love seeing everyone's work. Remember you don't have to have a quilt project fully completed to show! In fact, I'm bringing a couple of unfinished projects just to show off!

**A quick note to our members that have June-August birthdays.** I believe it is confusing to know how our birthday snacks and door prizes work for these months and I wanted to explain in more detail.

- We will not be having door prizes for June-August so if you are a June-August birthday member, please bring your door prize contribution to our September meeting. September is our guild's birthday party and this will allow us to have a larger number of door prizes to celebrate our guild's birthday.
- June snacks - we do not need snacks from our June birthday members as the board has been asked to provide these for you. Please postpone bringing your snack until next month's meeting (July).
- For July & August snacks....we're back to our birthday members providing these again.

**July is our Quilt University and I have teachers/classes lined up for your enjoyment.** Our teachers will present on a rotating round robin. Be ready to enjoy and learn something new!

As a closing thought, don't forget to work on your **Hispanic Heritage Challenge Quilt**, quilts to hang at the Quilt Show, and donations for the auction. We are only as good as our members allow us to be through their generous contributions and support! Thank you for your support to all our event chairs who work so hard to put on a great program for our membership. Every member is essential to running a quality program.

With appreciation for you and your talents,  
Your Pres....Pat

# Monthly Program & Room Set Up

**The chart for our Monthly Set Up for Guild meetings is below.** As noted, there will only be the Basket Bonanza (brown bag) event, Show & Tell, Op. quilt & Refreshments for the June meeting.

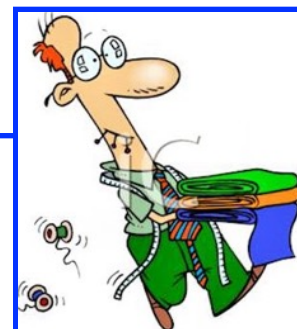

Although the summer months do not have many of our regular happenings...there is plenty to keep us busy.....bring friends & neighbors to our Basket Bonanza as guests are free & we will also have a silent auction table! In July, the ever popular Quilter's University will provide you with several "mini" classes & is always great fun. And finally in August, our annual sew-in for Philanthropy is a wonderful way to finish up many of the philanthropy quilts both for our quilt show and for distribution to recipients.

# Quilt Show News

## QUILT SHOW NEWS YOU CAN USE

Make a note right now: **the next quilt show meeting is Thursday, June 16 at 1:00 pm at the Grace Mellman Library in Temecula.** Join us and become a major cog in the wheel of the most public event the guild puts on!

**All forms and the quilt show flyer are on the website right now, under the Quilt Show heading. Just click on “Quilt Show” and go from there. You will need only one form to display quilts in the show, but you will need an individual form for each quilt/item you donate to the Live Auction and/or the Silent Auction.**

**Helping others:** The three local charities the guild will sponsor with a portion of the Live Auction proceeds are as follows:

- 1) **4 Paws For Patriots**, an organization that trains and provides service dogs for veterans in need;
- 2) **The Temecula Community Food Pantry**, which provides food, clothing and sundries to locals in need all year round;
- 3) **Round Up Hope**, a local organization which provides equestrian therapy for special needs children and adults and their families. This group also rescues horses, which are then used in the program.

All of these organizations are 501(c)(3) charities greatly in need of our donation.

### How you can help ensure large donations:

- 1) **Plan to show your quilts in the show.** The more thoroughly we blanket Old Town with our colorful quilts, the more successful the show, and the more our reputation as a destination event grows. This is really important, because it brings in more people who shop our vendors, Old Town Merchants, and buy our auction wares.
- 2) **Equally important is our ability to organize** and pull off all aspects of this show, from display to vendors, to our auctions, both live and silent. For this, we really need a lot of help! If you're new to the guild and want to get more involved and make some good friends, **please join us at our next meeting.** We can always use your help in the run-up to the show as well as on the day itself.
- 3) **Please plan to make one or more quilts to put into the Live Auction.** Remember, you can set the price, and receive up to **50% back** if you so choose. If you are planning to contribute a quilt or other item to either auction, please let one of us know! Pretend for a minute that you are the person responsible for ensuring there are enough quilts to auction in October (we need between 40 and 50 for the Live Auction). Now pretend you don't know whether you'll have enough – or any – to auction until the month before the show. Think of the stress! So if you are planning to make auction quilts—even just one—feel free to let us know! We'd appreciate the update.
- 4) **The Silent Auction has been expanded** from just small quilts (smallish wall hangings and table mats) to include **table runners, aprons and bags (totes and handbags).** We're pretty excited about the possibilities, and we hope you'll make something to donate. Special thanks to Annette Fecteau, who has found a couple of wonderful small wall hangings on eBay and bought them solely to donate to the Silent Auction!

**Thanks for reading this to the end.** I know the Quilt Show update gets repetitive. And thanks also for being a part of the guild. We hope you'll want to be involved with the quilt show!

## Different Ways/Areas for Hanging Quilts in our Quilt Show

There are several different ways you could display the quilts that you make in our upcoming 17th Annual Old Town Temecula Outdoor Quilt Show, taking place on Saturday, October 1st, 2016. **Below are the ways & the persons to contact for further information.**

1. Display quilts in the quilt show: **Gail Ledbetter/Ellen French**
2. Large Quilt Live Auction: **Gail Ledbetter/Ellen French**
3. Small Quilt Silent Auction (perimeter less than 100", table runners, bags, aprons) **Candice Dalton**
4. Challenge Quilts: **Shirley Brown**
5. Quilt Walk: (Quilts are hung in participating Old Town businesses 2 weeks prior to show) **Marlene Oaks**
6. Philanthropy: (Quilts hung in the show & then donated to community organizations predetermined by philanthropy committee) **Diana White, Ida Colvin & Karen Wurfel**
7. As we get closer to the date of the quilt show, we will be asking for your help in specific areas and will be asking for sign ups in August & September.

**Thank you very much in advance for planning to hang your quilts in the show!**

## VETERANS

### HELP A VET!

As you may know, I have made it my personal mission to make as many twin-size bed quilts as possible for the formerly homeless veterans being housed at March Air Reserve Base. The guild has decided to get involved and our Philanthropy Committee is planning to make as many as they can. Several individuals have contacted me to express their interest in helping, and have asked me to post the measurements for quilts needed. I thank each of you for your interest and philanthropic spirit!

**Size Guidelines:** Quilts should be a minimum of 64" wide, but can be up to about 78" wide, and at least 80" long. If you want to make yours longer, that is fine. We just want to make sure the quilt will reasonably cover a twin bed, which is why a lap quilt won't do. I don't know if there are any XL twin beds there, so some additional length might be a good thing.

Quilts should be manly—which is just to say, not juvenile/childlike or feminine/floral. I'm sure guys like a colorful quilt as much as the next person, so they need not be boring and brown. Flannel on the back is okay if that is what you have or want to do.

The quilts, once donated, will become the property of the individual recipient. If that man moves away from March, for whatever reason, the quilt goes with him. It is a gift to an individual. Hopefully these quilts will provide many years of warmth and comfort for each man.

**A Gentle Note on Quality:** Please remember that our philanthropic quilts are destined for those most in need: babies, abused children and women, disaster victims, the homeless. These recipients need our most carefully made, most special quilts. Let's make these quilts with extra care, to honor these men who have struggled in ways we have not experienced ourselves, in ways we have not had to. Let's pretend the recipients are our sons, our grandsons. Let's make quilts that honor their service and their heroic efforts to rejoin society at large. Let's make them with love, and a generous spirit.

Thank you for helping,

Ellen French

# New Member Tea

## New Member Tea

Valley of the Mist Quilters Guild is pleased to invite **all new members as well as all existing members** to our New Member Tea to be held on **Saturday, June 25<sup>th</sup>**, from **2pm to 4pm**, at the home of Membership Assistant, Candice Dalton, **at 31795 Dane Court in Temecula.**

We hope you will attend because we have much to share with our new members and you will be able to learn more about our Guild. There will be an array of **teas, treats and sandwiches** to enjoy while we get to know one another. You may possibly even win a **door prize!**

We have a varied and talented group who have so much to share. This will be an opportunity to share what you have done or would like to do in quilting or related crafts. Everyone who attends is invited to **bring a project** (finished or in progress) to **"show and tell"** the others about. We are interested in your feedback as well.

The last Saturday of the month is also our Philanthropy Sew-In which meets nearby. We apologize for the conflict. Hopefully those who would like to do both will still have time to drop by, even if it is later in the afternoon.

**Please RSVP so that we know how many to expect.** RSVP to **Janice Emmerson at (951) 676-2736 or Candy Dalton at (858) 354-8608.** Should you have any questions or would like directions you may contact Membership Chairman, Janice Emmerson, at (951) 676-2736 in the evening. See you there!

# SHOW & TELL

Good ole Summertime! Never mind the June -gloom-mornings; brighten them up with your colorful **Summertime Quilts!** Put them on the sofa, on the wall, and on the table, but don't forget to bring a few to share at the June meeting! **Did you make a special graduation quilt for someone, or have a Father's Day project to share? What summer activities do you enjoy that are displayed in a quilt you treasure? Think picnics, camping, surf and sun...** Let us all be inspired by your creativity at the June 'Brown

**Bag' meeting.** For those who took Jan Krentz' Colorwash Hunter Star workshop, show us your design too! **We will have Show and Tell on June 14!**

## Workshops

Ladies, we are in the home stretch. By the time of our next guild meeting we will (hopefully) be showing our finished quilts having completed the quilting in **Georgianne Beebe's Quilt-as-you-go tutorial**.

Thanks to Rita Dominguez, our **Saturday, June 11th** workshop will be held at the Glen Oaks Clubhouse. If you are coming, don't forget to bring a lunch. I don't know about you, but I am furiously working on completing the last three projects before I begin yet another!

Today, however, I did spend some time pulling fabric from my stash in several different color-ways to determine the direction I wish to take for my next one. Shall it be a baby quilt (though I'm not yet ready to be a grandmother), one using leftover fabric strips I have been stuffing in a bottom drawer, or something in shades of lavender for Dottie, my dad's better half? Anything to delay completing those UFO's!

Our next workshop won't take place until **October when Sylvia Pippen** comes to town from Washington state. Her instruction on **Sashiko and Cyanotype has many guild members excited**. There might be room for one more participant. Don't forget to attend our annual Quilter's University in July, though. There will be sure lots of ideas to share and demonstrations in store.

See you at the Brown Bag Bonanza!

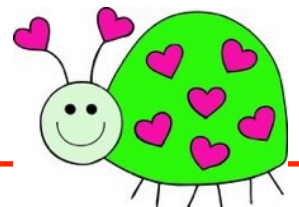

Shelley

## FRIENDSHIP GROUPS

While enjoying our Guild's Show and Tell last month an idea came to me for a friendship group. How about a friendship group dedicated to **finishing UFOs**. Expanding on that idea, **a friendship group could take shape of a certain style of quilting**. There are a myriad of specialized interests such as **hand quilting, applique, & crazy quilts**. Groups don't have to meet monthly. They could meet quarterly. The members could come together knowing the common link is the passion for the style of quilting they have a passion for. For me personally, it would be fun to get together with other crazy quilt enthusiasts. **Maybe there are others in our Guild that would like to meet like-minded ladies**. Please see me at Guild with your idea. It would be a fun way to get to know each other and make a friend of an acquaintance.

Laura Haskell, Friendship Group Coordinator

## Merchandise Table

May winners of the

"Baskets and  
Bouquets" raffle were:

**Ida Colvin** (basket of fabrics, patterns, tote bag kit, etc.)

**Norma Enfield** (fabric basket, pattern, batik table runner kit, etc.)

**Edna Wright** (fabric basket, fabrics, Wonder Clips, etc.)

**Julie Nims** (basket of fabric, patterns)

**Jodylynn Stuppy** (yellow tote bag, pattern book)

We are having a few months off for the Basket Bonanza, Quilters University and the Philanthropy Sew-In, but we'll be **back in September** w lots of Autumn-themed merchandise.

## A CALL FOR QUILTS TO HANG IN LIBRARY

### A Call for Quilts

**We** are excited to announce that this year we have the opportunity of showcasing quilts at the **Grace Mellman Library during the month of September**. We will not only share the beautiful quilts but will be able to advertise the Quilt Show and distribute our postcards.

**Seven quilts will go in the entry rotunda and another 3 will be throughout the library.** I am looking for quilts in the **24" x 36"** range. They will need to be sleeved with a wooden dowel or stick through the sleeve & suspended by a chain, ribbon or string. I would need the quilts by August 15<sup>th</sup> as I have to take photos and provide them to the library by September 1<sup>st</sup>. **All levels of quilting skill will be considered from beginner to advanced and our Junior members are encouraged to submit.** These may be existing quilts of any theme & do not need to be made specifically for this event.

I will give you a form to provide your name, the medium and anything special about the quilt, along with the size. **Quilts will be hung Sept 3 and released Friday morning September 30.** Contact Karen Wurfel @ 661-733-4037 or [kjwurfel@gmail.com](mailto:kjwurfel@gmail.com).

# PHILANTHROPY

A big **THANK YOU** goes out to everyone that makes Philanthropy so wonderful. We had an amazing month with so many quilts and kits being made or picked up at the guild meeting. Last Saturday's Sew-In was incredibly productive and your generosity allows us help those in need. A few of the organizations which will receive our quilts are: Rancho Springs Neonatal Unit, Casa de Paz, March ARB Homeless Veterans and Quilts of Valor.

The June guild meeting will be full of 'Brown Bag' fun. Philanthropy will be there just in case you have projects to turn in or if you'd like to pick up some to take home. There is no help that's too small.

Hope to see you at our **next Philanthropy Sew-In on June 25<sup>th</sup> (10am-3pm)**  
**Heritage Mobile Home Park, 31130 S General Kearny Rd, Temecula**

# Block of the Month

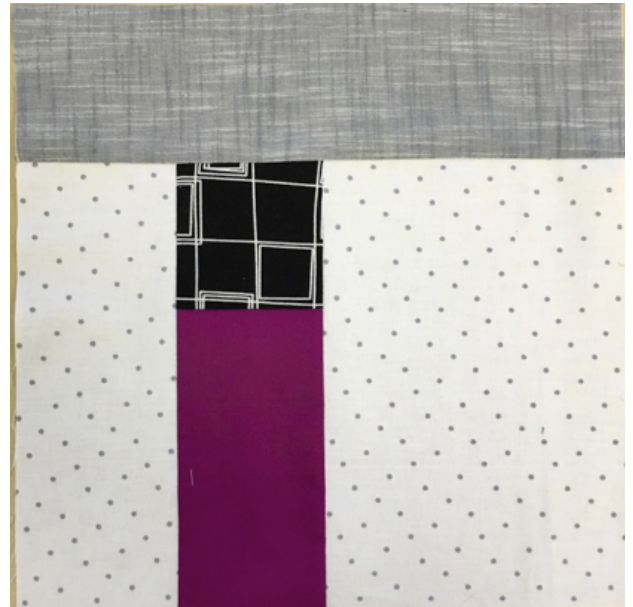

## Block of The Month 2016: Block #6

**Block is due at the September meeting.**

This month we are continuing our black, white, grey, and one color of your choice palette. We encourage you to make two blocks, one to enter in the drawing and one to keep. This block is pretty simple, but be accurate on your seams and sew a scant quarter inch. The block is called It's All About Me, Myself, and I by Christopher Thompson.

### Cutting Instructions (for one block):

- ¥ Cut one 3.5" x 3.5" Black square
- ¥ Cut one 3.5" x 6.5" Color strip
- ¥ Cut one 3.5" x 9.5" White strip
- ¥ Cut one 6.5" x 9.5" White rectangle
- ¥ Cut one 3.5" x 12.5" Grey strip

### General Instructions:

Following the block photo, using a 1/4" seam allowance and right sides together, sew the Color strip to the Black square to create the "i" piece. Press.

- ¥ Sew the White strip to the left of the "i" piece.
- ¥ Sew the White rectangle to the right side of the "i" piece.
- ¥ Sew the Grey strip to the top of the "i" block.
- ¥ Trim the block to 12.5" x 12.5".

Hope you enjoy making this block and even though it is a simple block, it can make a wonderful quilt if you play with the orientation of the block.

## **President's Quilt**

**Thank you for your generous support.** Pat has served the guild long and with great fervor and deserves the nicest quilt we can make...and it's going to be great. If you took a block and find that you cannot complete it, please turn it back in. No worries. We are using a pattern that requires a specific number of blocks so we need them all.

## Valley of the Mist Quilters Guild 2016 Challenge Quilt Rules

### Our Hispanic Heritage

Hispanic culture is prevalent throughout beautiful California from the Spanish architecture we see all around us to the names of many of our cities and streets. Jane Tenorio-Coscarelli will be our featured quilter at the 2016 quilt show. She is known for her colorful quilts depicting Hispanic themes, plus National Hispanic Heritage month runs from September 15<sup>th</sup> to October 15<sup>th</sup>...right in line with September meeting and our quilt show. We will be celebrating by making this the theme for our 2016 Valley of the Mist Challenge Quilts.

- ☀ The quilt theme must be a clear representation of some aspect of Hispanic heritage. For example, architecture, food, traditions, holidays, color, etc.
- ☀ Quilt may be pieced, appliqued, or drawn. Art mediums may be used such as fabric paints, watercolor pencils or crayons or ink.
- ☀ Quilt may be an original design or made using a published pattern.

## **MODERN QUILTS: REDESIGNING TRADITIONS (Call for Entries)**

**Thursday, December 1, 2016 through Sunday, January 22, 2017**

**Ontario Museum of History & Art: 225 S. Euclid Avenue, Ontario, CA 91762**

The Modern quilt movement is nearly a decade old and its proponents are a fast growing segment of the quilting population\*. Modern quilting began as an online community in the early 2000s and quickly grew into an international movement of like-minded sewists who make quilts that are primarily functional (as opposed to quilts made primarily as "art"). Inspired by modern design, the use of bold colors and prints, high contrast and graphic areas of solid color, improvisational piecing, minimalism, expansive use of negative space, and alternate grid work are key elements of this style. Most of these characteristics are not found in "Traditional" quilt design, the formal, pattern-based repetitive blocks of printed fabric set in rows, with an emphasis on construction precision, practiced by most quilters in the 20th Century. This tension between classic, traditional and modern quilt design has lessened in recent years as modern quilters consider traditional patterns in new and exciting ways. This "Modern Traditionalism", the redesign of classic quilt designs, is what we will explore in an exhibit of 40 + juried quilts from U.S. and International quilters.
